

TOMCC NZ OTAGO SOUTHLAND MILLERS FLAT OVERNIGHTER 21/22 MARCH 2015

**All TOMCC NZ members, friends
and families are welcome to attend**

Come and enjoy some of inland Otago's great riding roads. Then have a meal and an evening of socialising at the historic Millers Flat Tavern, right across the road from the famous blue bridge, crossing the mighty Clutha River. The tavern has a fine restaurant and there is a possibility that there will be a band playing but this is still to be confirmed.

The tavern has very limited accommodation but camping at a fairly basic level in the tavern grounds is available. Further accommodation is also available at the Millers Flat Motor Camp just a few minutes walk from the tavern. It will be your responsibility to organise your accommodation at either of these two places:

Millers Flat Tavern (03) 446-6025.
Millers Flat Motor Camp (03) 446-6877

A ride with a choice of routes, leaving from Mosgiel on Saturday morning is being organised with, hopefully, a punt ride over the Clutha River.

For those of you from outside the Otago Southland Area who may need to come through on the Friday evening, accommodation is available at my place in Mosgiel. It may be on the lounge floor or a tent on the lawn – your choice.

In the tradition established at our Kokonga overnighter there will also be a bike related quiz with prizes for the winners.

If you intend to come to this event please contact me either by phone, 03 489 1740 or 021 26 99 530 or email spall@callsouth.net.nz

Ken Spall, TOMCC NZ, Otago Southland
