

2017 TOMCC NZ Inc.

National Rally

The TOPEC site is located on Hydro Road off SH 3 some 6.5 km's from the intersection of Leach Street (the main North road into New Plymouth) and Eliot Street in New Plymouth. Also on this intersection is a Caltex Gas Station and a McDonald's restaurant. If traveling from the South, the site is 11.8 km's from the centre of Inglewood on SH 3.

If traveling from the South on SH 3, for your safety, please continue 400 meters passed Hydro Road where there is a long straight with ample room to pull over and do a 'U' turn. Turning right into Hydro Road is extremely dangerous as it is on a left hand bend and is very hard to see oncoming traffic. It is also a 100km area so vehicles following behind may not see you turning.

Things to take to the rally

1. Insect Repellent
2. Torch
3. Sunscreen
4. Bedding
