

# Auckland area newsletter June 2019

1980 Bonnie AV, taken 1<sup>st</sup> national rally 1995

**Hi all, just a bit of an update on what has happened and what is going to be happening.**

**I assume everyone has received their national newsletter? Let me know if you haven't.**

**Membership details I'm doing a mail out of this newsletter via post and email and also will do a follow up text if you don't get one of the 3 can you please update your details with me or when you renew your annual membership update them with Mel our membership secretary.**

**Annual subs are due in July to make things easier for Mel sooner rather than later would be best. And please don't get upset if you find you've forget to update your membership and lose your membership number, this has happen many times in the past.**

**As many of you would know the sad passing of Claire Morrel was last month, she was a long standing member and very active over the years in the Auckland area and will be missed. I have asked but no one has offered to take over her bank account duties, all that is involved is to be a co signature on the area bank account? Let me know if you can help with this.**

Attached file with email is next year national rally poster and entry form, as a bit of encouragement to get you along the Auckland area will have a draw for one member to win back there rally entry, so get your entries in before cut off of 20<sup>th</sup> December and we will do the draw at the January club meeting.

Some happy Auckland members at this year rally

Remainder as well this month club meeting is been put back to Tuesday the 2<sup>nd</sup> July.

Coming up thanks to Al Brown, Bar wars who has the best bar, man cave or garage with a beer fridge? Come along on a monthly ride to check them out. Between Al the two Johns and Kenton over the next 4 months we will check out their abodes and deem one of them the best bar.

Thanks all for reading and supporting the club, remember it's what you put into a club and help out can only make it a better club. We try our best to encourage and put on events so please support us.

The editor on the Britten, taken 1997 City of cycles.
