## Above and Beyond

Around about a year ago some friends of mine from the Dutch Triumph Club contacted me and asked if I could help them with some information about doing a bike tour of NZ. I happily gave them details of places to go and other stuff, but it seemed their plans may come to nothing when they looked into the price of hiring a bike for 4 weeks.

I was talking to Wayne Woodward about this and he came back with a very kind offer of the loan of his old Tiger 800. They sorted the details out between them for insurance and breakdown cover and finally in mid February, Dan and Joyce walked out of Christchurch airport to start their adventure.

After a couple of days to adjust to the time zone they picked up the bike from Wayne, loaded up and set off down south. For around 10 days they did the South Island circuit, visiting Mt Cook, Invercargill, Fox, Punakiki and many points in between. Then it was on the ferry across to Wellington for a couple of days before heading north to see the delights of the North Island and meet up with Wayne and us at the National Rally in Whanganui.

The weather turned bad in Wellington with a bad storm crossing the island, strong winds and very heavy rain. Dan and Joyce set off to their next destination, Napier, but unfortunately never made it. Just south of Hastings Dan turned at a junction and was just starting to speed up when the front wheel disappeared from under them. They think there may have been some diesel on the road and a combination of that and the heavy rain took them down.

Someone very quickly phoned an ambulance, and they were taken to Hastings hospital. Dan phoned me to let me know what at happened, so I started looking for someone in the Hastings area who could possibly help with some local knowledge of bike shops to get the bike fixed so they could continue their tour. They did not know at the time the extent of their injuries.

I contacted Wayne and Ken Spall and got Syd Ross's number, he lived just north of Hastings. By this time we knew Joyce would be staying in hospital for some time, with four broken ribs, a bleed on the brain and an air bubble in her lungs, fortunately Dan's injuries were not

Below, hero of the day, Syd Ross, and above, Wayne Woodward (left) with Dan and Joyce Christoffersen

so severe but his body had definitely taken a battering

Syd and his wife Kelly really went above and beyond to help Dan and Joyce, within a couple of hours of me contacting him, Syd had gone to the hospital and talked to Dan. He then went down to where the bike was stored and picked it up and took it to be stored at his place.

Dan could not stay in the hospital so Syd put him up and each day for almost two weeks, Syd and Kelly took Dan into the hospital for him to spend time with Joyce and picked him up in the evening. Joyce's recovery was slow but fortunately the bleed on the brain cleared up and the air bubble slowly disappeared and she was released from hospital. Both Dan and Joyce are still on some heavy painkillers and 3 weeks after the accident are still waiting for the all clear from the doctors to fly home. Syd has continued to help, getting the suitcases sent up from Christchurch to Hastings and arranging with Wayne to get the bike back to Christchurch.

Both Dan and Joyce cannot thank Syd and Kelly enough for all their help, and as a club I think TOMCC NZ really need to recognise the way they stepped up and helped out a couple they had never met, but were part of the Triumph family.

## Northland riders TTT poker run

Around May Pinecone Pete said to me, "this year I'm heading to the TTT (To The Top) poker run". Previous years he'd missed it because it always fell on his daughter Sophia's birthday. But since she now lives in England the opportunity is there to go. I had only been to the TTT once and that was way back in around 2003, so why not go. Mike Gray was a regular to this event, so Pete got hold of Mike and informed him of our intentions and by luck this year Mike managed to secure hotel accommodation opposite the northland riders (event hosts) club rooms in Awanui (10km north of Kaitaia). Also Al Brown was a starter too.

Come the first weekend of November, we'd put in plenty of practice drinking time on a Thursday evening and we were ready to start. I had my brother to visit in Kerikeri so departed before the others on a wet Friday morning. Visiting done I waited in what was now sunny weather at the Pioneer Tavern. About 1:30pm Pinecone, Mike and Al turned up then not long after them the Northland TOMCC turned up. A couple of beers down and lunch done.

Northland took off first with the four of us following. I'll just mention now that we represented the club with 4 variations of the Triumph triple (What else would you ride to the TTT on?), Pinecone on his '74 T150, Al on '97 Legend, me on my '06 Rocket and Mike on his '22 Rocket GT.

The ride up to Awanui was nice and dry Pinecone and Mike overtaking the Northland Pack before they turned off to Mangonui. Al and I just followed. Getting to Awanui we found our digs for the night and got into the first beer at the pub. First one down we headed across the road to the club rooms to register and have a beer or 5, actually can't remember how many all I know is we headed back and had a rum and coke courteously of Mike Gray about 1:30AM.

Next day, The Triple T rally. Saturday up and ready to go to Cape Reinga, a 114km trip each way. Off to gas up around the corner next minute my throttle cable breaks "Oh no".

Glenn, Pinecone, Al and Mike at the TTT

Pete and Steve Webster had also arrived that morning to join the ride. Pete said he had a spare cable at home in Totara North about 3/4 hour away. When Pete arrived back a bit of fettling was needed from Mike to fit the cable but eventually we got there then it was off to the top we went. At Cape Reinga took in the views went to take off and Al's starter motor decided to pack a sad, so the rest of the trip it was push starting the Legend.

Beautiful day we headed back to Awanui with a quick stop at Hohora for a beer. Lucky it was just one beer as NZ police had a road side welcome back at Awanui.

Back at the club rooms Pete Webster headed off while Steve stayed for the evening. Saturday night had the prize giving along with great food and a great band. No prizes for us so it was a few more beers and a nightcap with Mike Gray.

Sun up and it was off home saying goodbye to Steve Webster at Totara North. It was a pretty uneventful trip home, Al not stopping the Legend at all. Had a great weekend and good ride, can't wait for the national rally in March, will definitely be back next year. See you there, cheers Pinecone.

Glenn Mills

TOMCC NZ, Auckland

P.S. Unfortunately none of us were to know that this would be the last ride we'd do with Steve Webster, Steve passed away in February and will be sadly missed by everyone. Next year's TTT will be a memorial ride for Steve, RIP Steve Webster.

# Waikato Bay of Plenty Ride

Last Sunday's ride, Brenda and I met Murray at Hillcrest and headed down to Hautapu Z where Shane was waiting. It was 5 degrees at his place so autumn is here. We headed over the Māmakū range to Ngonogataha and met up with Geoff, Garth, Kearn, Peter and Glenn with Eric arriving shortly after.

Had a stop at the Okere Falls Cafe first for some food and coffee and then headed along the road to the actual falls on the Kaituna River, a couple of very good rafting waterfalls on this stretch. There were 4 river rafts full of tourists playing around.

Then back through the village and on Hwy 33 and a left onto Hwy 30 toward Whakatane, We were only going as far as the eastern end of Lake Rotoma, but had I got my lakes mixed up and we stopped at Lake Rotoiti, never mind, time was getting on.

So it was time to head to Lake Tarawera and lunch, so back the way we came and into Rotorua and a left onto Tarawera Rd and followed it to the end. Plenty of parking but a 15 minute wait for food orders to be taken. There were 6 of us for lunch, others had only joined for the morning and it was good to meet them.

We took a photo of 5 looking at the lake and Mt Tarawera which blew apart in 1886.

Then it was down to the Blue and Green Lakes Lookout and headed for home, Tauranga, Papamoa, Taupo, Hamilton, Rotorua and north west Waikato. A good day out and great people to ride with.

## ***The lovely Maureen says . . .***

Thought I would drop a line and say well done to Northland. As a partner of a member and a rally patron I don't think we say thank you enough.

Each time I have attended I felt welcome and as included as I choose ( like my own company ). The organisation is always fabulous, not perfect but amazing After all nothing is perfect, and nor should it be. Lots of hard work involved lots of people at the front and many more not as visible. Each contributing their time and energy for us to enjoy the weekend. Great bunch of people. Laughs galore.

A few!! drinkies and oh yeah, all that bike stuff. Especially great to chat to some of the ladies. Went up in my bus and the old fella on his Legend. Weather was amazing and a huge ta muchly to the drivers who picked us up and took us back to campground He got the presidents choice so was chuffed and the trophy sits on the bar.

Took opportunity to have a few days on the road. Especially enjoyed seeing the old fella lift his butt off the seat riding as I sat in our bus behind. A little bit of rain, but hey again, I'm in the bus. I could see he loved the windy roads and I felt a sense of power as I pulled the steering wheel round those tight corners.

We live in a beautiful country and often forget how lucky and blessed we are. Sitting at the waters edge , drink in hand , local

dog snoozing under the bus and the waves and birds the only noise to hear. Rally was the beginning of a great week. Thanks to all and see you next year all being well.

*Maureen*

## East Coast Chapter ride January 2024

The January ride was a meet up at the Tikokino pub. Two riders departed Wairoa (Ralph on his Scrambler and Steve on his Tiger). It wasn't long before a stop to get some wet weather gear on was required – pesky heavy drizzle, just enough to be annoying and dampen the greasy road .

A quick stop in Bayview for a coffee then off to Tiko , we caught up with Kelly not far from the pub, riding her Trident T150.

We noticed lots of bikes on the road and on arriving at Tiko the carpark was pretty full too. Turns out it is the Bay MC one night stand.

We spotted a rather interesting Thruxton, (pic attached) ended up chatting with the owner. It turns out he

and his mate had come up from Dannevirke to meet us . He'd had this beast on the track at Manfield, as you could tell by the tyre wear!

Lunch at the pub wasn't anything to rave about, must have ordered the wrong thing. A feed, a chat and away we went. It had dried up by now so was a better ride home.

## Membership Renewal Procedure changes for the 2024/2025 year

Hi everyone, I'm back! Banging on about the same stuff again. There will be a little change to the timeline of how everything happens for membership renewals this year. I would like to lay it out here, so everyone is clear and understands how it's going to work.

Memberships are due on the 1<sup>st</sup> day of July 2024, the sum is \$30.

The accounting software will email an invoice to all members registered for emails for this sum on this day. If you have a postal reference, hard copy will be mailed out. Should there be ANY issue with these two alternatives, please contact me to arrange something more practical to remind you of the occasion. I am happy to do whatever I can, there is plenty of time to sort something out.

Naturally we accept monies at any time but we prefer that renewals are submitted from 1<sup>st</sup> day of June to 31<sup>st</sup> day of July. This is purely to make mine and the Treasurer's life a bit easier, and also equates to 60 days payment window. We thank you for your understanding and cooperation.

Please use your name and membership number as a reference when making online payments to BNZ account number 02-0792-0060254-000. This is all the info I need.

On the 31<sup>st</sup> day of July renewals will close; payments must be cleared by this time and the financial membership list will be set and finalised. (No Exceptions)

This finalised list of financial members will then be used to print membership cards for the 2024/2025 year which will then be mailed out to members. Hopefully, this will be concluded later in August.

But Wait there's More!

There is a way though, where members do not have to concern themselves with any of the above. That is to arrange an automatic bank payment to the club's membership account (BNZ 02-0792-0060254-000). Very easily done and this takes care of everything, your new membership card will arrive in August each year as if by magic!

Please, Please help us by doing this, it makes life Sooo much easier.

Thank you again for your patience and understanding

*Rik Reid*  
Membership Secretary

## Waikato Bay of Plenty Ride details for 21 April

The early details – we are going to visit the Waikato River dams, well that's the plan. There are 8 dams on the river between Taupo and Cambridge.

**Never been to Ohakura or Maraetai Dams? Well here's your chance.**

Bay of Plenty riders leave Gull Tauriko 9am to arrive at Z Putaruru by 10 am. Hamilton riders leave Hillcrest Caltex at 9 as well and will leave Hautapu Z at 9:15 and arrive Putaruru around 10 as well.

We will look to be at Aratiatia Dam around 11:15, this will depend on whether NZTA's contractors get their 3rd attempt to reseal the road at Litchfield finished, if not we will have to take the detour, a few minutes longer. I would suggest any Rotorua riders meet us at Aratiatia.

Please have food and coffee at Putaruru or before leaving home as there is nowhere else until lunch at Whakamaru about 12:30 or 1pm.

I'll send out a reminder and some more details on 14 April all going well.

Any concerns/questions please send me an email: [jkerry.hickey2@gmail.com](mailto:jkerry.hickey2@gmail.com)

*Cheers, Kerry*

# TOMCC NZ 30<sup>th</sup> National Rally, Whangarei

## So what can you do?

The question of what TOMCC NZ is doing to get younger or people in general to join was raised at the AGM. Not a new subject, similar questions have been raised at previous AGMs, one in particular being about lifting the ranking of our TOMCC NZ Website.

In the absence at the time of any other form of marketing the club, the TOMCC NZ website and national TOMCC NZ Facebook page were set up to promote the club. The national Triumph Times newsletter is also available to be read by the public online via our website. The club provides business cards, membership brochures for the purpose of handing out at rides and gatherings.

So when we are asked, or are asking ourselves what are we doing, the question also falls back to members – what are you doing?

- As an area member have you seen, or asked if any thought has gone into your Area openly advertising rides and meetings while inviting others to attend?
- Does any notification or advertising have the likes of “not a member you are more than welcome to attend”?
- Have you seen members or yourselves taking the opportunity to hand out greeting cards or brochures while on runs and rides?
- Area's overlapping with members from another Area / Chapter, particularly in the North Island, joint rides and gathering are being encouraged?

Something to think on?

**RIDES AND EVENTS** Often it may be wrongly assumed or misunderstood of an Area / Chapter co-ordinators position and role that they are obliged to come up with all the ideas – No, No, No – you the members are encouraged to come up with ideas for a rides and events. You as a club member can simply pick a time, a place to meet, a route or destination, be it a mid-week, weekend, monthly or a one off ride, BBQ or an overnighter.

You then pass the information on to your area co-ordinator who in turn passes it on to members while sharing it far and wide with all co-ordinators, Website administrator, Newsletter editor, National Facebook page, irrespective – all in the knowing you have created something in the way of a ride or event.

So when we ask what are we doing ? A lot is on you the members in helping promote the club. Remembering you joined “the original, often copied, never matched” Triumph Owners Motor Cycle Club New Zealand Inc. Distance and location is no barrier nor shall it be held against any member.

*John Witherington  
TOMCC NZ President*

*Otago & Southland Chapter Co-ordinator.*

## National Treasurer Retirement

As you will note from the AGM minutes, our National Treasurer, Melissa Todd, has now stepped down after having given ample warning that this day was to come, as advised to all members over the last 12 months.

With the finances that this club has collectively, as shown in the Triumph Times newsletter, and a legal obligation to have a Treasurer, it is very important that this position is filled as soon as possible.

### National Treasurer Role

To date no one as stepped forward. If no one is willing to step forward to do this task we as a club will have no option but to employ a professional accountant to do the job at a very considerable cost which will be an on-going monthly cost moving across the entire year.

Should we go to an accountant, the club will still need a Treasurer in the position to at least be able to liaise with an accountant, that is, to pass on any financial information from all Area / Chapter accounts, Membership account, Regalia account, Website and Newsletter running costs along with main every day account transactions. A financial report will also need to be tabled at our AGM and sent the report to the Incorporated Society Office, as well as doing the IRD yearly filing.

This is an important issue for our club, if you can help please get in touch with with either:

# TOMCC NZ INC AGM Minutes

## Distinction Whangarei Hotel, 9 Riverside Drive, Whangarei

President John Witherington opened the meeting and thanked the Northland area for hosting the rally.

**Apologies:** Rik Reid, Darryl Payne, Steve Kendell, Tim Fraser, Murray Davison, Keith Randle, Judi Nightingale.

Minutes of the last meeting held at the AGM in Westport 2023 were read, John Witherington moved a motion for minutes to be passed as true and correct. All present affirmed they were correct.

**Treasurer's Report:** Read by Melissa Shipp, Melissa moved a motion that the outstanding subs of \$10.00 be written off, Seconded by Pat Wheatley. Melissa asked that the report be adopted as correct. Seconded by Murray, all present affirmed that the motion to write off subs and that the financial reports be accepted as true and correct.

**Regalia Report:** Read by Wayne Hughes

**Newsletter Report:** Read by Ken Spall. Ken noted that the December 2023 was the best issue yet with a lot of content provided. Please continue to do this for upcoming and post events/rides reports.

**Membership Secretary Report:** Read by Glenn Mills on behalf of Rik Reid

### General Business:

- Results of the voting for VP; Glenn Maconaghie has been voted in as the Vice President
- Steve Webster, former TOMCC member who was instrumental in helping set up a few of the North Island areas, passed away recently. Thank you to those who attended his funeral.
- An overseas WATOC couple who were in the country and had borrowed a motorcycle from Wayne Woodward were involved in an accident recently. Thanks to the East Coast area who have provided support for this couple.
- East Coast Area put on a bike show recently, very favourable comments have been received in feedback, with several other clubs helping to promote the event.
- It was noted that the Year Badges would be handed out at the prize giving tonight, and not as part of the AGM
- 2025 Rally will be hosted by the "Top of the South", part of the Canterbury area.
- 2026 Rally will be hosted by the Wanganui Area
- 2027 Rally, there is another area looking at viability currently. The historic run, 2 rallies in the North and 1 in the South Island, has now been superseded with whoever can arrange a rally and is welcome to do so.
- Geoff Walton, an overseas TOMCC NZ Inc member and one of our WATOC committee members, said that a lot of other countries are holding events over the next couple of years. If you are thinking of travelling and would like Geoff to put you in touch with members who may be able to lend you a bike or bed for the night, to get in touch with him
- Ken Spall, our current local WATOC contact asked if someone else would like to take over the role. Peter Sherman has offered to take over.
- Ken asked that all areas send out their up-coming rides list to all areas in case there is a member passing through who would like to catch up.
- Liz Garmey asked what TOMCC is doing to recruit younger members. John Witherington responded saying Facebook is our primary recruiting channel, as it too expensive to advertise in Newspapers etc.
- Liz Garmey asked what is to be done about the now vacant position of Treasurer, seeing as Melissa has officially stepped down. John Witherington responded that it is likely in the event of no other member wanting to do the role, it would need to be handed over to an Accountant. Further discussion on the floor was made agreeing that an accountant is the best action, failing a member taking over.
- Ken Spall mentioned he has business cards and other promotional material here at the rally, should any member wish to take some to hand out.
- Geoff Walton expressed his thanks to the National Executive for the work they perform on behalf of the members.
- Glenn Maconaghie did a ride brief.

No documentation was tabled, nor was any other issue raised at this AGM.

Meeting Closed: 10.20am

Thirsty Thursday with some of the Auckland rally attendees and the trophy for highest percentage of Area members attending the rally.

Left to right: Peter Morgan, Peter Wilkening, Glenn Mills, Andre Wilkening, Royden Motu.
